

UNIC

TOWARDS USER-CENTRED
FUNDING MODELS
FOR LONG TERM CARE

UNIC-project

AIMS

- develop, test & validate a set of innovative tools
 - to help key stakeholders
 - such as public authorities
 - to implement user-centered funding models
 - such as personal budgets

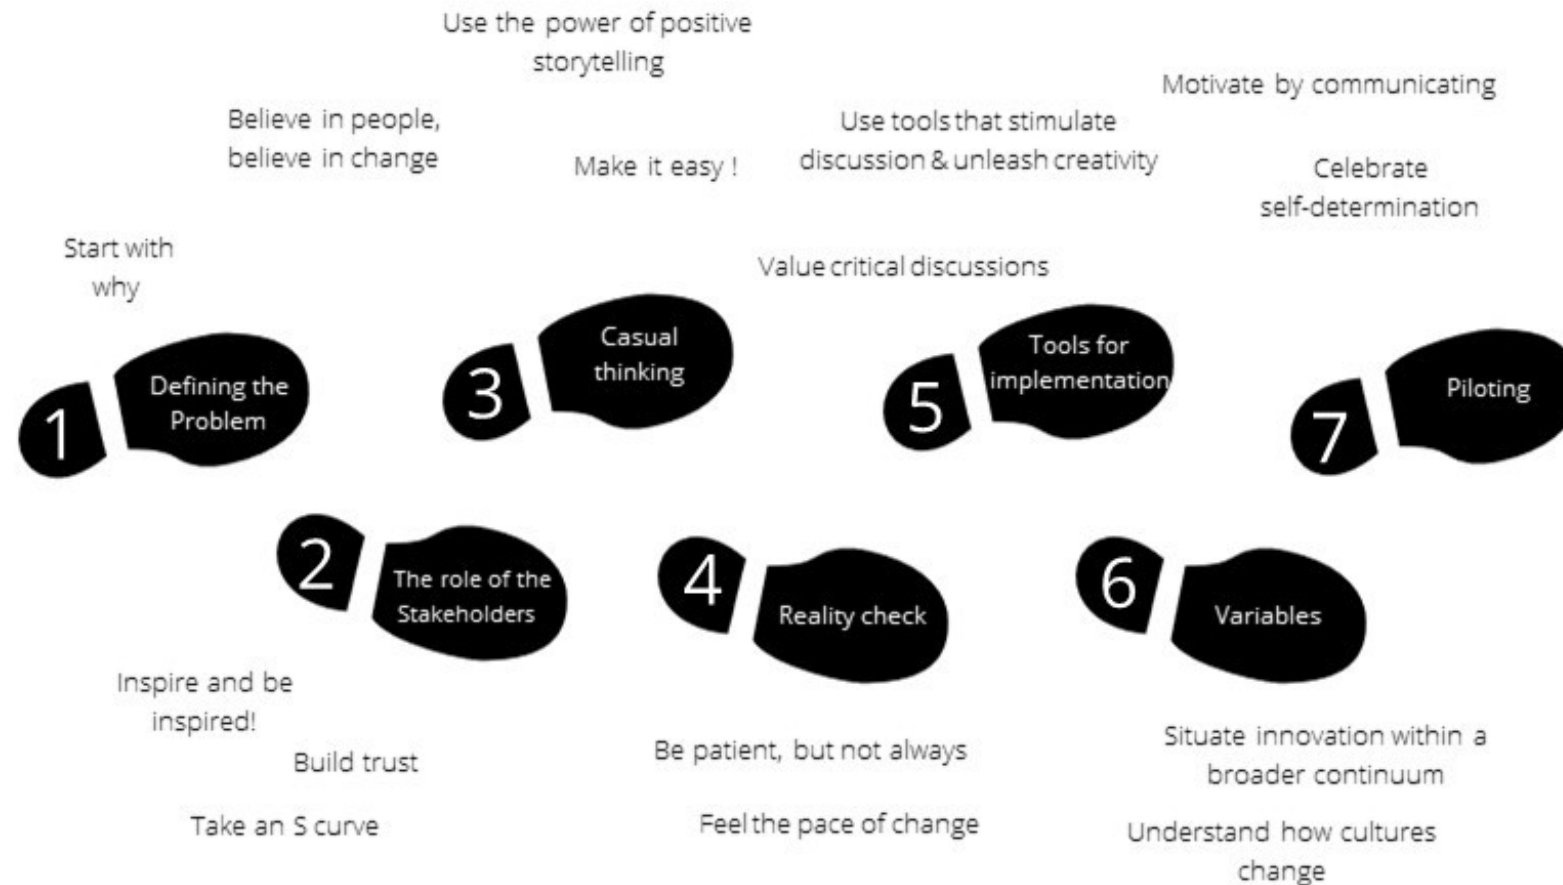

www.unicproject.eu

Scaling up personal budgets – lessons learnt

- Focus on human rights, citizenship & participation
- Scale up vertically and horizontally
- Identify key stakeholders - involve partners from different stages of development
- Globalise & localise – UN CRPD as a compass
- Don't wait for the perfect system
- Focus on positive impacts & possibilities
- Support the process, create networks
 - a change in the way of thinking and acting

Step by Step – why and how to catalyse change

Join, test & share!

The screenshot shows the homepage of the SDS Network. At the top left is the logo for the Self-Directed Support Network, followed by the text "SDS Network" and the tagline "Leading the global development of self-directed support". A navigation bar contains links for HOME, ABOUT US, NEWS, RESOURCES, SDS STANDARDS, and JOIN THE NETWORK. The main content area features a paragraph: "The SDS Network is a global community working to define and improve best practice in self-directed support. Join the network and help us create a world where support advances citizenship and equality for all." Below this is a "Latest News" section with three articles:

- Suuntaamo** - 31.08.2023: 31 August: Personal Budgets in Finland. Join Suunta for a discussion about implementing personal budgets in Finland.
- Global Standards for Self-Directed Support**: Consultation Launched. The SDS Network has drafted a statement for consultation on best practice on self-directed support.
- UNIC**: UNIC Project Publishes Key Reports. Europe is showing an increasing commitment to the reform of Long Term Care and Support on human rights principles.
