Workshop 4: Research to foster innovation in disability services

Moderator: Renaud Scheuer,
EASPD

#Innovation4Inclusion

Co-funded by
the European Union

What role for research to foster innovation in services?

#Innovation4Inclusion

- Access to up-to-date data and practices is essential.
- But how to apply lessons from research in practice?
- How to make organisations more responsive to innovation?
- And how to ensure the transfer of innovation?

#Innovation4Inclusion

What are the challenges with innovations in service organisations for persons with disabilities and how can research contribute to overcome them?

#Innovation4Inclusion

Co-funded by
the European Union
